

Application No.: 09/919113

Case No.: 56904US002

Remarks

It was noted that in the Notice of Allowance and Examiner's Amendment of 4-29-2004, only the first instance of the term "substrate" was amend to retroreflective sheeting. The Applicant submits that the Examiner intended to amend each instance of the term "substrate" to retroreflective sheeting as set forth in the above amendment.

It was also brought to Applicant's attention that the claims and drawings recite "L/LO"; whereas p. 24 recites "L_o". Applicant has requested that claim 24 be amended to be consistent with the claims and drawings.

Please charge any fees due, or credit any overpayment to Deposit Account No. 13-3723.

Respectfully submitted,
